Robins Class – Music Festival – 11th March 2026

Dear Parents and Carers,

We have arranged for our Robins to take part in a morning of music-making at one of the 'Outer Space - To Infinity & Beyond' 2026 Early Years Music Festivals. It will take place on Wednesday 11th March 2026 at the Grove Primary School, Malvern.

We are asking that parents drop their children off at the Grove School (WR14 2LU) at 9.15am where they will be met by Mrs Watts, the children will return to Madresfield by coach before lunchtime.

Children are welcome to come dressed for the occasion – as a spaceman, a rocket, a star, a planet, a google-eyed alien etc. Your child does not need to buy a special outfit. You could make a simple head dress/hat/outfit or check out ideas online.

The Friends have kindly donated to cover the cost of this trip.

Please provide your consent to enable us to take your child off site on the Arbor Parent Portal by 10th March 2026.

Yours sincerely,

Mrs Watts and Mrs Murrells
Robin Class Teachers
