

Dear Parents, Carers and members of our local community,

Thank you for attending our Harvest Service last week, the pupils all did very well, especially Year 6 who led the service beautifully and our Robins for getting up for the first time in front of you all to share their signing and dancing,

### **Pebble Worship**

We will be inviting our Robins to join our school family on Monday, they will put their pebble in the jar and then when they leave us at the end of Year 6, they will take their pebble with them.

All members of our school community are represented in the jar and every member of staff and pupil has a pebble to represent them.

### **Shoe Box Appeal**

It is that time of year again when we request your support in creating shoe boxes. The boxes will be taken to the Evesham warehouse for onward transfer to Central and Eastern Europe including Ukraine. If you can please fill the shoebox with a selection of fun toys, school supplies and personal care items that would be great. Can filled shoe boxes please be returned by the end of the first week back after half term. Thank you so much for supporting this great cause.

### **School Grounds Safety**

Children MUST NOT be playing on the play equipment during pick up time, this includes the trim trail, football goals, and using PE equipment, Please leave the school grounds promptly so that Mrs Pearson can secure the site and lock the gates. Thank you.

### **Parent Book Look**

Our first parent book look will be taking place on Friday 24th October at 2.45p.m. This is where parents can come into the school through the main office, and then head to your child's classroom. You can have a look around the classroom and look through certain books that your child's class teacher has put out and see what they have been up to this term. We try to alter the books on show, so that over the year you get to see them all. If you cannot attend, grandparents/relatives are welcome to come in your place but all visitors have to sign in when they arrive.

### **Parking**

A reminder that you can park in the Madresfield Club car park for morning and afternoon drop off's, this helps ease the congestion on the road outside school.

### **Parents Evening**

I have asked the teachers to ensure that they meet you all, please if you cannot make either of the assigned dates, can you make contact with your child's class teacher so that they can arrange an alternative mutually convenient time. Thank you.

Have a lovely weekend.

**Mrs Hibell**

Headteacher
